

**Glossary to the
General Terms and Conditions for Use of the PRISMA Capacity Platform for
Storage Users concerning SSO Services (GTCs for Storage Users)**

as of 01 January 2017

Term	Definition
Access Key	means the non-transferable identifier for the access of one particular User to the system of the PRISMA Capacity Platform.
Applicable Regulations	means all international, European or national law (whether in the form of a constitution, directive, regulation, act, statute, statutory instrument or decision) directly applicable to an entity which has rights or obligations under these GTCs for Storage Users, and which determines how its rights under these GTCs for Storage Users may be exercised or its obligations under these GTCs for Storage Users may be fulfilled.
BIC	means the Bank Identifier Code.
CAM NC	means Commission Regulation (EU) No 984/2013 of 14 October 2013 establishing a Network Code on Capacity Allocation Mechanisms in Gas Transmission Systems and supplementing Regulation (EC) No 715/2009 of the European Parliament and of the Council.
EIC	Energy Identification Code.
Financial Instrument	means an instrument in the meaning of section C of Annex 1 referred to in article 4.1 (15) of Directive 2014/65/EC of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments (MiFID II), as implemented by any national law (whether in the form of a constitution, directive, regulation, act, statute, statutory instrument or decision), and any European or national law supplementing or amending it.
GTCs for Storage Users	means the general terms and conditions of PRISMA that apply for all platform usage contracts between Storage User and PRISMA concerning the use of the PRISMA Capacity Platform. The Glossary is an integral part of the GTCs for Storage Users.
IBAN	means the International Bank Account Number.
Offer Opening Slot	means the announced start and closing date of a Storage Product Offer during which bids can be placed.
PIN	means the personal identification number.
Platform Usage Contract	means the contractual relationship established between the Storage User and PRISMA subject to the terms of GTCs for Storage Users following successful registration of the Storage User.

PRISMA	PRISMA European Capacity Platform GmbH acting as the operating company of the PRISMA Capacity Platform.
PRISMA Capacity Platform	Internet platform operated by PRISMA for primary and secondary natural gas transmission capacity booking and trading and for the offering of SSO Services.
SSO	means a storage system operator in the meaning of Art. 2 (10) of Directive 2009/73/EC.
SSO GTCs	means the comprehensive terms and conditions applied by a SSO for inter alia allocation, specification and use of the respective SSO's storage product.
SSO Service	means the service provided by PRISMA under a separate section of the PRISMA Capacity Platform for SSOs to facilitate the marketing of the SSOs' Storage Product Offers.
Storage Product Offer	means a product offer of a SSO that is published on the PRISMA Capacity Platform. The respective storage product, data, conditions and specifications are compiled under the sole responsibility of the respective SSO and subject to the respective SSO TTCs.
Storage User	means an actual or potential storage user of a SSO, which may include a SSO acting as storage user to carry out its functions in relation to storage in accordance with the Applicable Regulations. The (de-)registration of one and the same entity or person affects all sections of the PRISMA Capacity Platform.
Text Form	means, where text form is required, the statement must be made in a document or in another manner suitable for its permanent reproduction in writing, the person making the declaration must be named, e.g. declarations via E-Mail and facsimile.
User	means the natural person acting on behalf of the Storage User being respectively authorised by the Storage User. The (de-)registration affects all sections of the PRISMA Capacity Platform.
VAT	means value added tax.
