

GASCADE Gastransport GmbH
Competition Zones

A competition zone is a predefined pipeline section including several network points which compete for the technical transport capacity of this specific pipeline section. Network points in a competition zone can be marketed via auctions, FCFS or internal order.

Network point ID	ETSO/EIC-Code	Network point name	Flow direction	Network point type	Competition zone	Allocation Mechanism
1LMA	37200000006904N	Baunatal	Exit	NAP	TN MIDALMitte	FCFS
